The screenshot shows the Binance website interface. At the top, the navigation bar includes the Binance logo, 'Exchange', 'Labs', 'LaunchPad', 'Join Us', 'Support', 'News', 'Login or', and 'Register'. The 'Register' button is highlighted with a red box. Below the navigation bar, the main header reads 'Binance - Exchange The World' with links for 'Create Account' and 'Already Registered? Login'. The main content area features several promotional banners: 'Binance Referral Program', '6,000,000 More than 6 Million users', 'Binance Exchange Instructional Video Competition 2000BNB in Prizes', and 'Round 5 Community Coin of the Month'. Below the banners, there are three featured market lists: 'Binance Lists PIVX (PIVX) (01-23)', 'Binance Coin Burn in 2018 Winter (01-15)', and 'Binance Lists INS Ecosystem (INS) (01-15)'. The main market data section displays five trading pairs with their current prices and 24-hour changes: BNB/BTC (-2.92%), TRX/BTC (2.41%), VEN/BTC (6.44%), XRP/BTC (1.69%), and NEO/BTC (-1.47%). Below this, there is a 'Favorites' section with tabs for 'BNB Markets', 'BTC Markets', 'ETH Markets', and 'USDT Markets'. A search bar is also present. The table below shows a list of trading pairs with columns for Pair, Last Price, 24h Change, 24h High, 24h Low, and 24h Volume.

The screenshot shows the Binance account security settings page. At the top, there is a navigation bar with the Binance logo and links for Exchange, Labs, LaunchPad, Funds, Orders, Join Us, Support, News, and a user profile icon. Below the navigation bar is a banner for the "Binance Referral Program" with the text "It pays to have friends!" and a timestamp "TIME : 2017.10.27 4:00AM (UTC)".

A warning message is displayed at the top: "*Do not disclose Password, Google Authentication codes and SMS to anyone, including Binance support." Below this, the user's profile information is shown, including the email "next358@gmail.com", the last login time "2018-01-...", and the note "Using BNB to pay for...".

The main content area is divided into several sections:

- Login Password:** A section with a lock icon and the text "Login Password Used for login".
- API:** A section with a chip icon and the text "Creating API private key can get you access to market, real-time trading services on Binance via a third-party website or mobile APP. [API documentation.](#)" and an "API Setting" button.
- Security modifications:** A section with an "Enable" button.
- Google Authentication:** A section with a Google logo icon and the text "Google Authentication Used for withdrawals and security modifications" and an "Enable" button.

A modal dialog box is overlaid on the page, featuring a red exclamation mark icon and the text: "We strongly recommend you to enable 2FA on your account ! Please choose how you wish to receive 2FA code:". Below this text are two buttons: "Google Authentication" and "SMS Authentication". At the bottom of the modal, there is a checkbox "I understand the risks for not enabling 2FA" and a "Skip for now" button.
